### Stories of Faith, Service, and Hope

At the Church entrance, be sure to grab your copy of the latest edition of the Comboni Mission Magazine, testament to our collective commitment to faith, service, and unity. Within these pages, you'll encounter the heartfelt introduction of **Father Gordon Rees**, Comboni Missionary hailing from South Africa. His arrival in the UK marks the beginning of a new chapter, infused with hope and purpose. Our parishioner, **Harvey Martin**, writes about his Prison Ministry. His story reminds us of the transformative power of mercy and forgiveness.

There is also a Novena to the Sacred Heart, the namesake of our beloved Church, commencing at the end of May. Use the short prayer provided for each day, together with your own special intention, as part of your personal preparation for this feast.

Journey to Israel through the eyes of a Comboni Sister, whose reflections offer a glimpse into the challenges and triumphs of faith amidst adversity. And finally, we can witness the progress of our Nekemte School Project with dramatic photos of what a classroom has looked like and a photo of their new school, still in the process of being built, though it will begin with classes this Autumn. It is no small effort, and a joy for us as a community to be a part of this school project. Together, we're making a difference!

### YOUTH CORNER

Our Catholic faith is not a comfortable faith. It does not say to us: "Hey, you're OK, don't worry about how you live your life; just enjoy yourself." That message comes from popular culture, not from Jesus Christ. It is a comfortable message, but it is false. You see, comfortable is not always good. Jesus loves us too much to wink at us and let us stroll through our lives in superficiality, meaninglessness, self-indulgence, and comfortable immorality. And so, he makes it clear that we who claim to be his followers have to do two things. We must talk the talk *and* walk the walk = being involved in our faith, and speaking up for Christ's truth, this is a daily effort!

Jesus is like a good coach: he never lets us get too comfortable, because he knows we are still capable of improving as human beings and as Catholics. He loves us too much to let us rest on our laurels. He knows that constant growth in the Christian virtues is hard work and so he gives us a secret ingredient to ensure that we never run out of spiritual gas: prayer. Prayer is a great privilege. The Lord of the universe, our Creator and Redeemer, is online 24/7, always watching over us and listening for when we call out to him. Whenever we send him a message, he reads it right away and answers by sending an attachment of grace into our hearts. Daily, personal prayer is the bridge that turns our Catholic talk into a powerful Catholic walk. Daily, personal prayer is the heart of our relationship with Christ, a bridge that links our knowledge of Jesus with our day-to-day actions. Jesus passionately wants us to become mature men and women of prayer. This is what he means when he says in

today's Gospel: "I am the vine and you are the branches... Remain in me... because without me you can do nothing."

Today, let's ask ourselves what we can do to improve our prayer life this week: Maybe it's taking a few minutes more to spend some quiet time alone with God in the morning or before going to sleep at night. During this Mass, Jesus, the vine, will renew his commitment to us in the sacrifice of the Eucharist. When he does, let's renew our commitment to be faithful branches, by making prayer a real priority.

## THE GIFT OF THE MASS

Take a moment to reflect on those cherished individuals and significant moments that have deeply touched your soul. Think of those you hold in your thoughts and prayers, or those you wish to express profound gratitude towards.

Participating in a Mass is a profoundly reverent act of prayer, one that not only nourishes the spiritual well-being of its intended recipients but also offers invaluable support to our Fathers and the entire Faith Community. As Saint Teresa of Ávila once said, "Prayer is an act of love; words are not needed. Even if sickness distracts from thoughts, all that is needed is the will to love." The Mass stands as the ultimate expression of prayer, the cornerstone of our faith-filled lives, and the primary way we gather as a community to honor and worship God.

If you would like to request a Mass, please fill out an envelope available at the rear of the Church, and then either place it in the Sacristy, hand it to one of the Fathers, or drop it in the letterbox at the Fathers' House.
